**IMPACT:** State

**Summary of Legislation:** The bill specifies that students graduating as members of a cohort include students from the cohort who graduate during the expected graduation year or during a previous reporting year. The bill provides that students may count as graduating members of only one cohort. The bill corrects an incorrect cross-reference.

**Effective Date:** July 1, 2008.

**Explanation of State Expenditures:** The Department of Education would be able to implement the calculation changes within existing resources. The Department already receives graduation data from local school corporation annual reports.
